**Martha A. Pollard's Will Filed for Probate—May Be Contested.**  
Miss Lucretia A. Stone has filed with the probate court for the district of Windham the last will and testament of Martha A. Pollard, who recently died at the home of her brother, Edward R. Hall, in Chaplin. Deceased was a resident of North Windham, but had died while on a visit to Chaplin. A hearing is set for Tuesday, November 2, on the admittance of the will to probate and the appointment of Miss Stone as executrix.

Deceased owned some real estate in North Windham, but it is not known how much personal property she had. She is survived by her husband in New Haven, Charles E. Pollard, and it is intimated that there may be a contest.

By the terms of the will Mrs. Pollard leaves to her husband such portion of the estate as he is entitled to under the statutes of the commonwealth. This being so, it is believed that the others mentioned in the document will get but a trifling amount.

Second, I give and bequeath to my husband, Charles E. Pollard, such portion of my estate as he may be entitled to at my death, by the statutes of the state of Connecticut.

Third, all the rest, residue and remainder of my estate, either real or personal, or wherever the same may be situated, I do hereby devise and bequeath as follows: If at the time of my death my sister, Nettie Hall, be married, then I direct that my estate be divided into three equal parts. One-third of the said estate I give, devise and bequeath to my sister, Maria Stevens of Middletown, Connecticut, one-third to my sister, Nettie Hall of Chaplin, Connecticut, and the remainder to my husband, Edward R. **CORONER FISK**  
Takes Deposition of William J. Keffe.  
Robert H. Fisk, coroner for Tolland county, has visited St. Francis hospital and taken the statement of William J. Keffe, the man who was shot by James Stitt at the latter's home in Gilead Sunday afternoon.

The authorities at the hospital say that Keffe is getting along favorably, and that he will be well enough to sit up within a few days and that he will ultimately recover.

Stitt, who did the shooting, is said to be a heavy weathered, having roughed it out that way quite extensively. He came east a few years ago, and is said to have been doing more or less unerring Sundays in Hebron. He is unmarried, and according to report, a good man, when not under the influence of liquor.

Jailer Babcock of Tolland stated that Stitt reached the jail about 2 o'clock Monday afternoon and he had him assigned to cell 4. No one was called to see the prisoner since his incarceration, and he is suffering from a sore throat, and the jail physician is of the opinion that it is the result of Stitt's being choked by some one at the time of the shooting.

Tron as captain, with Miss Mary Larrabee as lieutenant, had a detail of eight young women in charge of the scoring. This was done with flags, and the complete score of each player was kept in the table from which the players originally started, all points won by the different ladies being reported back to the garrison fort. All of the young ladies were attired in the national colors. The whist playing was enjoyed until almost 5 o'clock, when tableaux were presented, as follows: "The Flower of the Family," "Coming Thru' the Rye" and "The Muses of Song, Dance and Heroic Poetry."
